

Progress Report 2024-26

Government of Andhra Pradesh

Sri Nara Chandrababu Naidu
Hon'ble Chief Minister

Andhra's Journey since 2014

Bifurcation: Painful

Change of Govt: Destruction

Historic Mandate to NDA: Revival

Progressively overcoming
bifurcation challenges

Decline of State
Economy

Rebuilding

Combined
AP Urban
Popⁿ- **33.4%**

AP's Urban Population: **31.5%**
Telangana's Urban Population: **41.5%**

2014

2019

2024

- Change in structure of the economy to **predominantly Agrarian**
- **Inherited 58% of the combined state population**, but only **46% resources**
- **Loss of Capital city**
- **Disproportionate allocation of assets**

- **Erosion of institutions**
- **Mis-governance**
- **Decline** of morale
- **Vandalism & deterioration** of law and order
- **Brand Andhra damaged**

- Reviving **Brand Andhra**
- Fulfilling **Welfare** commitments
- **Balanced** regional development
- Thrust to **Capital Projects**
- Progressive **Policies and Tech**

Bifurcation: Painful

Structural Change in Economy

■ Agriculture ■ Industry ■ Services

Per Capita Income (PCI)
gap originated (Rs.) in
2014-15

Combined AP 2013-14 **95,231**

Telangana **1,24,104**

Andhra Pradesh **93,903** **Gap: 30,201**

- **Inherited 58% population, 46% resources**
- **Loss of Capital city** – impacted revenue realization

Resource gap with Telangana was narrowing

- **Economy was vibrant**
- **Avg. GSDP growth was 13.5%** between 2014-19.
- **Avg. Debt-GSDP ratio** was manageable at **28.38%**,
- And we had started several **development works**.
- Resource gap between states **reduced by 2%**, from 10% to 8%

GSDP Comparison of AP and Telangana at Current Prices

AP's Economy: 3 Distinct Phases

Average GSDP Growth Rate (%)

Strong Growth Momentum

Growth Moderation

Recovery & Renewed Momentum

- **3.18% pts decline for AP from 2014-19 to 2019-24**, resulted in GSDP loss of Rs 6.94 lakh crore
- With **13.5%** growth rate in 2014-19, AP would have got **additional revenue of Rs 76,195 crore**

Per Capita Income (PCI) – Comparison of AP with Telangana at Current Prices

If AP had maintained the 2014–2019 average growth rate of 13.21%, its PCI in 2025–26 would have been Rs 3,67,115 instead of Rs 2,94,507 — a shortfall of Rs 51,816 PCI

A Decade with two halves - Progress and Destruction

Progress: 2014-19	Destruction: 2019-24
Initiated self-financing Amaravati Capital City	• Stalled Amaravati works. Changing stance on capital city, leading to confusion & uncertainty • Ultimately no Capital city
• Completed Pattiseema Lift Irrigation project • 72% completion of Polavaram irrigation project	• Destroyed Polavaram. Diaphragm wall collapsed • Cancelled Power Purchase Agreements – Paralysis of Energy Sector
Expanded 4 existing airports, initiated works on 2 new airports & 3 seaports	No progress on major logistics infrastructure
Expanded Road network by 4,387 km	Everywhere potholes
• Attracted marquee investments - Kia motors, Asian Paints, Isuzu motors, Foxconn etc. • Initiated works on industrial corridors: Visakhapatnam - Chennai and Chennai Bengaluru	• Anti-industry stand • Setback for Investments • Worsening law & order situation

Destruction Starting Point – Prajavedika

Before

After

Destruction led to a vicious cycle

- **Destruction 2019-24 created** vicious cycle

Inherited debt & liabilities	Rs 9.74 lakh crore
Zero debt Sustainability <i>As per NITI Aayog Fiscal Health Index, 2023-24</i>	

Our challenge - Not just to correct past mistakes, but:

- **Restore confidence** of people & investors,
- **Rebuild the economy**,
- **Building morale of governance machinery and Re-establish institutional credibility**

A lot of energy & effort is going into setting things right.

- ***Reduced*** unpaid liabilities burden,
- ***Reduced*** interest rates,
- ***Set right*** central govt funds and schemes,
- ***Fiscal consolidation*** efforts are going on.

Our multi-pronged Strategy for Revival

1

Clearing Pending
Liabilities

2

Ensuring Welfare,
Fulfilling Promises

3

Focus on
Development &
Investments

4

Good Governance

Developmental focus in 3 State Budgets since June 2024

2024-25

Corrective budget to recover from shocks of previous regime's misgovernance.

2025-26

Set the development momentum towards achieving **Swarna Andhra Vision @ 2047**.

2026-27

Focus on **balanced regional development** through special initiatives for development of 3 economic regions.

Clearing Pending Liabilities

Cleared Liabilities

1 Unpaid liabilities brought down

2 Cleared Employee Dues

Released pending dues of **Rs 30,849 crore** pertaining to:

- Gratuities,
- CPS contribution,
- Provident fund,
- APGLI schemes,
- Medical reimbursement, etc.

3 Renegotiated high-cost loans to reduce interest cost by **Rs 8,269 crore**

Renegotiated 370 loans
worth **Rs 1.5 lakh crore**

Savings achieved with
reduction of Interest Rates

Rs 1,100 crore
Annual Savings

Rs 8,269 crore
Overall Savings
For the entire loan tenure

4 Revived Centrally Sponsored Schemes

- Revived 86 Centrally Sponsored Schemes by clearing pending due of **Rs 8,695 crores**
- Since June 2024, secured **Rs 29,890 crore** of central funds
- Spent **Rs 45,138 crore**, including central share
- Became one of the first states to implement new SNA-SPARSH payment mechanism. This qualified us to receive Rs 250 cr under SASCI
- Prioritized schemes which have direct impact on large segments of the population

Clearance of pending dues allowed us to secure additional CSS funds

SN	Top Schemes revived by releasing pending amount	Amount Pending till 12.06.2024	Amount Released from 12.06.2024 to 20.07.2026
1	MGNREGS (Material & Admin)	1,134	5,867
2	Jal Jeevan Mission	572	1,912
3	Samagra Shiksha	238	4,391
4	National Rural Livelihood Mission	198	1,057

5 Released FC Grants

- Previous government had diverted the following FC funds

Rs crore

SN	Type of Fund	Amount
1	Amount received from Gol in March 2024, but not transferred to local bodies	1,453
2	Amount accumulated in PD accounts of local bodies in last 5 yrs	1,689
Total accumulated liabilities of AP Govt. to local bodies		3,142

Cleared pending dues of previous regime and secured all the releases of 15th FC

SN	Component	Amount
1	Rural Local Bodies	4,235
2	Urban Local Bodies	2,060
3	Health Sector	1,110
	Total	7,404

Ensuring Welfare – Fulfilling Promises

Fulfilled our welfare promises through Super Six & other welfare initiatives

- More than **Rs 1.49 lakh crores spent** in last 2 years
- Filled **30,607 government jobs** in different categories:
 - 15,941 teacher posts through Mega DSC 2025
 - 5,757 constable posts
 - Other contractual outsourcing ports

Rs crore

Expenditure on Major welfare schemes since June 2024

1	NTR Bharosa	68,296
2	Electricity Subsidy	32,800
3	Thalliki Vandanam	20,210
4	Annadata Sukhibhava	8,724
5	NTR Vaidya Seva	5,921
6	Rice Subsidy	4,322
7	Deepam 2.0	3,724
8	Fee Reimbursement	1,529
9	Stree Shakti	1,520
10	Price Stabilisation Fund	1,200
11	Matsyakara Sevalo	505
12	Auto Driver Sevalo	436
13	Honorarium for Imams and Muezzins	134
14	Honorarium for Pastors	80
Total		1,49,401

Our Approach towards Welfare

Family Empowerment Mission – Reducing Economic Inequalities

Identifying Family and Community level gaps

Converging Government Welfare measures

Empowering women through Self-help groups

P4: MBK 10:20
People's participation in eradicating poverty

Systematic assessment – Family & Community needs

Need Assessment Drive

- Conducted **family survey** by leveraging scheme level database of Govt of India and state departments
- **Introducing smart family cards** for seamless access to welfare benefits
- Improved **convergence of government schemes** to targeted beneficiaries
- Link all schemes to encourage **larger families**

Family level individual needs

 House Sites	 Housing
 Sanitation	 Water Supply
 LPG	 Electricity
 Digital Connectivity	

Community level shared needs

 Road Connectivity	 Street Lighting
 Waste to Wealth	 Drainage Network

Empowering Marginalized Communities

SC Welfare

- Assistance of **Rs 19,100 crore to 43 lakh beneficiaries**
- Transforming over **1,047 welfare institutions** into **Net Zero Healthy Campuses**
- Upgrading **all Hostels** with better infrastructure, repairs, RO plants, toilets, etc., with Rs 204 cr. New Hostel buildings sanctioned with Rs 106 cr from PM AJAY & DMF funds
- **Coaching support** towards competitive exams like IIT/ NEET, UPSC, APPSC etc.,
- (480) students given coaching for UPSC/ SSC/ Bank entrance exam for the academic year 2025-26
- Implemented **Andhra Pradesh Scheduled Castes (Sub-classification) Act, 2025**
- **Provided livelihood opportunities to (5687) Women Entrepreneurs with Rs 63 Cr**

ST Welfare

- Assistance of **Rs 5,730 crore to 9 lakh beneficiaries**
- Sanctioned Coffee project for expansion of envisioned 1 lakh acres during 2026-2031 with Rs202 cr in ASR District
- Rs 60 Cr was sanctioned towards toilets, RO Plants in all Tribal Welfare Institutions for 2025-26
- Upgrading (42) educational institutions with Rs 155 Cr with better infrastructure
- Providing various livelihood opportunities to (4030) Women beneficiaries with Rs 40 Cr
- **Under Adavi Thalli Bata (PM JANMAN)**, an amount of Rs 914 Cr sanctioned towards road connectivity covering 341 PVTG Habitations
- **Implementing Sickle Cell Anaemia** – comprehensive screening, treatment and financial support. Till now, 14.97 lakh tribals screened in the CoE established with Rs 3.75 Cr at KGH, Visakhapatnam

Empowering Marginalized Communities

BC Welfare

- Assistance of **Rs 32,534 crore to 118 lakh beneficiaries**
- **33%** minor mineral quarry allotments **reserved** for Vaddera Cooperatives
- **50% concession** in seigniorage fee & premium
- **10 new residential schools** established
- **Liquor shop allotments reserved**, incl. 10% for Geetha Kulalu & Sondi community
- Enhanced **free electricity up to 200 units** for handloom weavers and Nayee Brahmin salons
- Proposed **Rs 25,000 to weaver families**

Minority Welfare

- Assistance of **Rs 4,856 crore to over 17 lakh beneficiaries**
- **Honorarium support** to Imams, Mouzins, and Pastors and enhanced **support for Haj pilgrims**
- **Waqf administration revitalized** through institutional & digital reforms
- Employability boosted via **skill development and coaching**
- **Infrastructure and livelihoods strengthened** under PMJVK and PM VIKAS
- Simplified **Qazi appointments** and **marriage license reforms**

Empowering women through Self Help Groups (SHGs)

SHG Network – One of the largest in India

Particular	SERP (Rural)	MEPMA (Urban)
No. of SHGs	8,31,439	2,74,797
No. of Women	84,61,966	24,75,238

Target to enable **5 lakh women entrepreneurs** through branding, credit & market linkages in FY 2026-27

SHG Women Entrepreneurs Supported

Particular	SERP	MEPMA
No. of Women Entrepreneurs	1,47,840	32,330
Credit Support (Rs cr)	1,496	750
Financing through Bank credit linkage (Rs cr)	33,614	9,605
Additional credit accessed from sources other than banks (Rs cr)	14,757	

SHG products are being launched under an umbrella Brand
SWAYAM-AP

Key Achievements of SHGs

- **AP stood 1st in India** with highest number of bank loans availed by rural SHG women - **97% SHGs availed bank loans**
- One of the **highest Credit Coverage towards SHGs**, exceeding annual credit targets for SHGs - 50% SHG loans utilized for livelihood and income-generating activities
- **1st in India** for making **credit accessible to 35,934 women entrepreneurs** through PMFME
- **AP has become a model for the country** - **1st in India** to complete **digitalization of SHG loaning process**. MCPs uploading and bank loan sanctioning online
- **2nd in India** under PM SVANidhi support. MEPMA facilitated Rs 267 crores loans to street vendors & micro enterprises.
- **Annual saving of Rs 30,000 per SHG**, as banks waived off 12 types of charges for SHG loans, following SLBC resolution
- **Our SHGs show strong fiscal discipline**, with SHG loan default rate (NPA) of only 0.67%, lowest in India

Poverty Eradication through Zero Poverty P4 Initiative

Cycle of poverty will break when people are empowered with equitable access to resources & livelihood opportunities

P4 “MBK 10:20”
Top 10% handholding bottom 20%

21 lakh Bangaru Kutumbam identified

1.1 lakh Margadarsi mobilized to provide support

11 lakh families adopted, till date

Assistance initiated for 2.4 lakh Bangaru Kutumbam families

Together, we will shape a **Wealthy, Healthy and a Happy Andhra Pradesh** where no one is left behind

Focus on Development & Investments

Increased focus on Capital Expenditure

Andhra's Capital Expenditure **has been one of the lowest among Southern states**

However, it has **now started gaining momentum**

- Avg. capital expenditure of last 2 yrs is **1.5 times higher** than avg. capital expenditure during 2019-24
- Our aims is to increase capital expenditure in coming years

From **Vicious cycle** to **Virtuous cycle**

Balancing Development and Welfare

Launched 28 investor friendly policies for Clean Energy initiatives, Data Center development, Drone manufacturing, Industries, MSMEs, Innovation & Startups, Tourism, etc.

Public Investments (Rs crore)

Projects	2019-24	2024-26	Envisaged Investments
Amaravati Capital City Works	323	10,057	41,187
Polavaram	4,168	8,323	12,157
Ports	3,663	5,437	10,617
Jal Jeevan Mission	948	1,142	24,464
Airports	-	2,302	21,372
State Roads (avg exp.)	1,561	3,439	12,000

Govt of India Investments (Rs crore)

Infra Sector	Ongoing	Pipeline
Railways	64,417	2,66,844
National Highways	38,800	1,03,667

Envisaged Wealth through already secured investments

This will strengthen State's fiscal resilience and provide greater flexibility to pursue infrastructure expansion, climate resilience, and human resource development

Resource mobilization through PPP & VGF

AP developed India's largest 3-year PPP project pipeline. Pursuing **Central VGF of Rs 1,850 cr** for 10 PPP projects

Source: PIB, Ministry of Finance, Department of Economic Affairs, July 2026

- **Ownership and control remains with government**
- **Reduced financial burden** on the government through shared risk mechanism
- **Operational efficiency** and better resource management during project development and operations
- Innovation and use of modern **technologies** to provide modern world class facilities
- **No compromise of Social sector, rather improvement of Infrastructure and Citizen Service delivery** through PPP

Good Governance

Positive Public Perception (PPP)

- An initiative to proactively assess Public opinion on Welfare schemes, Government services
- Assess citizen satisfaction, identify perception gaps
- Drive **timely corrective action to strengthen public trust and governance**

Outreach & Impact so far			
Campaigns Monitored	Districts Covered	Departments Engaged	Months of Analytics
53	28	27+	More than 18 months

Satisfaction Score Trends

PPP Scores	Year – I (June 24 – May 25)	Year – II (June 25 – May 26)	YoY Change	Jun-26	Jul-26	Aug-26 (01 st – 2 nd)
	Positive(%)	Positive(%)	Positive(%)	Positive(%)	Positive(%)	Positive(%)
Campaigns	65.76	68.82	+3.06	71.4	71.5	70.2

Real Time Governance 4.0

Six Operational Hubs

Initiatives under RTGS		
1	Data Lake	A single, trusted platform that brings scattered departmental datasets together . 19 analytical use cases delivered to departments.
2	AI Acceleration	118 AI Use cases conceptualized for departmental use 31 projects statewide integration completed
3	AP DigiVerify	Allows public/ private agencies to verify GoAP-issued certificates . Around 19 Crore certificates anchored on blockchain
4	AWARE Platform	An early warning and response platform for any emerging risks. 62 use cases live.
5	Mana Mitra WhatsApp – APOne App	Reduces dependency on multiple portals, physical visits and assisted channels. 1100+ services onboarded and 60 lakhs unique citizens served thus far. APOne would serve as a single app for every government service. Data shall be captured once and re-used everywhere
6	CCTV360	Integrated video surveillance platform that connects and analyzes CCTV feeds to enable real-time monitoring & incident detection to ensure faster public safety response . 350 cases resolved thus far.

**Despite the above measures, we still face certain
Challenges**

High HR Expenditure has increased our fiscal burden

HR Expenditure as % of State Own Revenue

HR Exp HR Exp as % of SOR Rs crore

HR Expenditure as % of SOR for other Southern States

Financial Year	14-15	15-16	16-17	17-18	18-19	19-20	20-21	21-22	22-23	23-24	24-25	25-26
Karnataka	40%	40%	37%	37%	42%	45%	49%	42%	39%	38%	41%	28%
Kerala	77%	78%	84%	91%	83%	83%	91%	105%	75%	68%	75%	68%
Tamil Nadu	52%	54%	54%	56%	60%	63%	63%	57%	53%	42%	39%	49%
Telangana	46%	53%	53%	54%	47%	49%	53%	44%	37%	38%	42%	44%
Andhra Pradesh	66%	91%	93%	98%	86%	116%	123%	102%	109%	99%	98%	95%

Public Debt to GSDP

- The average debt-GSDP ratio increased by **5.46% points** between 2019-24 compared to 2014-19 period.
- **After 2024**, it has increased by **2.37% points**. This is due to **huge burden of committed expenditure** given to us by the previous regime.
- In-spite of the fiscal constraints, we are clearing the pending liabilities and stabilising HR expenditure.
- **The debt-GSDP ratio will also stabilize** in near term with increase in GSDP & result in improvement in all economic parameters.

No Revenue Deficit Grants received since 2024-25

Revenue Deficit Grant (Rs crore)

- Revenue deficit grant of **Rs 50,991 crore** received during 2019-24 with an average of **Rs 10,198 crore**
- **Grants meant for 5 years were drawn in first 3 years itself**
- 16th Finance Commission has **completely stopped revenue deficit grants**

Opportunities ahead of us...

Amaravati: The People's Capital

2014-2019

Foundation Phase

Self Financing model

29,966 Farmers pooled 34,400 Acre

63,410 Returnable Plots allotted to farmers

Total Project Cost – Rs 51,687 Cr

2019-2024

Stalled

World Bank Funding Blocked

1,631 Days of **Farmers Protest**

Only Rs 323 Cr Expenditure on
Amaravati capital city works

2024-2026+

Revival & Outlook

Secured funding of Rs 40,887 Cr

3 Major Fronts Active

- Iconic Buildings
- 9 Trunk Road Packages
- LPS Zone Infrastructure

Amaravati Quantum Valley to
generate 2.5 lakh jobs by 2030

Destination for **Central Govt**
institutions – with **investments of**
Rs 8,270 crore

Amaravati Capital – Key Features

First City in India – No visible wires

Education

- 24 total institutions
- 18 Private Campuses
- 1,51,720 Seats
- 781 acres Allotted

Healthcare

- Total 7 facilities
- 1 Govt. Facilities
- 6 Private Facilities
- 108 acres dedicated healthcare

Hospitality & Tourism

- 11 Allotments
- 40 acres Allotted
- 4,000 Hotel Keys
- 4 Global Brands

Banking & Finance

- 15 Bank Offices Established
- 8 Bank Residential
- 13.93 acres Allotted (Ofc.)
- 12.06 acres Allotted (Res.)

Quantum Valley: First In India

- Co-developed by IBM, TCS and IIT Madras
- Establishes Amaravati as Asia's deep-tech frontier and a magnet for high-value industry.
- **Strategic Implication:** Elevates the entire capital's technology positioning on the global stage

Polavaram Irrigation Project: Life-line of Andhra Pradesh

2014-2019

Progress

Declared as **National Project**

72% Civil Works Completed

91% Right Main Canal Completed

71% Left Main Canal Completed

Rs 11,762 Cr Expenditure incurred

2019-2024

Delays & Challenges

Civil Work stalled with only 76% progress

Diaphragm Wall Damaged

LA and R&R stalled, increased only from 19% to 23%

Only Rs 4,168 Cr Expenditure incurred

2024-2026+

Transformation

Total expenditure Rs 12,157 Cr

Rs 8,323 Cr expenditure since June 2024

Phase 1 of Polavaram project **to be dedicated to the nation by March 2027**

Polavaram – not just a Project, but a Lifeline of Andhra Pradesh

- Connecting Godavari to Krishna to Pennar, covering **Rayalaseema region (200 TMC)**
- In the North, covering **Uttar Andhra region (63 TMC)**
- Overall covering **36 projects with a cost of Rs 37,766 crore**

Economic Engines created by the Project

7.2 Lakh Acres

New irrigation potential

Irrigation yield rises from 0.71 to 10.7 million metric tonne

23.5 Lakh Acres

Ayacut stabilization

13.5 lakh acres under Krishna + 10 lakh acres under Godavari Delta

23.44 TMC

Industrial & Drinking water

28.5 lakh population; 546 villages

960 MW

Hydropower

12 × 80 MW generating capacity

80 TMC

Water diversion to Krishna

Supports inter-basin water utilisation

2,02,376 MT

Fish & Prawn production

Adds a significant fisheries-based livelihood

We are focused on **Balanced Regional Development**

Double Engine Sarkar **Triple Engine Growth Strategy**

Global Trade & Industry Gateway

Ports, Exports, AI, Tourism

Knowledge & Innovation Capital

Governance, GCCs, Data Centers

Manufacturing & Technology Hub

Electronics, Aerospace, Defence, Semiconductors

Distributed Growth. Balanced Development. Shared Prosperity.

Vishakhapatnam Economic Region (VER)

49 Projects driving **Rs 10 lakh crore investment** and **24 lakh Jobs**

Investment & Economic Impact

Investment Potential

Rs 8-10 lakh crores

New Jobs by 2032

~10 lakh

Regional GDP Growth

Rs 6-7 lakh crores

VER will unlock **one of the largest regional investment programs** in India.

Transformational Impact for Andhra Pradesh

Amaravati Economic Region (AER)

Rs 8 lakh crore Investment Pipeline transforming AER into a Knowledge & Innovation Hub

Investment & Economic Impact

Investment Potential

Rs 6-8 lakh crores

New Jobs by 2032

~10 lakh

Regional GDP Growth

Rs 5.55 lakh crores

AER will create a **diversified economic ecosystem** across technology, industry, infrastructure, energy & innovation

Transformational Impact for Andhra Pradesh

Leading AI, Quantum and Data Centre Destination

Green Energy & Climate-Resilient Growth Model

Irrigation, Palm oil commercial plantation and Aquaculture Focus

National Hub for MICE, Convention and Business Tourism

Administrative & knowledge capital of AP

Ports and Logistics

Reliance Coal Gasification and BPCL Investment

Tirupati Economic Region (TER)

Rs 12 lakh crore is expected through multi-sector investment Pipeline

Investment & Economic Impact

Transformational Impact for Andhra Pradesh

Rayalaseema – Global Horticulture Hub

Indicators for horticulture sector to achieve Swarna Andhra Vision

- 1 Global demand driven crop diversification
- 2 Area expansion with 100% Micro-irrigation
- 3 Productivity Enhancement & Product Perfection
- 4 Creation and modernization of Post harvest infrastructure
- 5 Enhanced farmer income

Way forward

1

Enhance revenue mobilization by increasing State own revenue and capex through PPP & VGF

2

Reduce debt burden in order to create fiscal space for developmental activities

3

Focus on **capital projects** such as Amaravati, Polavaram, irrigation projects, roads, ports, rail, airports etc. to create significant economic impact

4

Develop logistics network to make Andhra as India's industrial gateway

5

Integrate AI, quantum computing and all latest technologies (Data Centers, wearables, medtech, drones etc.) to establish Andhra as a hub for next-generation technology and innovation

6

Attract investments, ensure welfare and good governance

7

Healthy, Wealthy and Happy Society

Our aspiration of growing at 15% keeps us focused on achieving the **Vision Swarna Andhra @2047**

Thank You
